Dear Allen:

Please refer to your letter of January 17, 1958, in which you propose an amendment to section 143 of the Atomic Energy Act of 1954, in order to reduce the problems involved in affording personnel of your agency access to Restricted Data required in the performance of their official duties.

We have referred your letter to our Office of the General Counsel for study and discussion with your General Counsel in the very near future.

Sincerely yours,
